The Best CAT Trainers Plus an All-Day Realtime Workshop Choose how you wish to spend your day.

- ★ CaseCATalyst
- ★ Eclipse
- ★ Stenovations
- ★ Realtime Workshop
- ★ QuickBooks for Court Reporters

★ This is hands-on training. Bring your machines and equipment and don't forget your power cords!

JANA COLTER
Cincinnati, Ohio

Certified as a Registered Merit Reporter and Certified Realtime Reporter by the National Court Reporters Association and who participates on the NCRA CART Committee, she is one of Advantage Software's premier CAT software representative/trainers. Jana has a proven track record of reliability and excellent training skills with GSRA.

Jana masters exceptional communication, grammar and editing skills. She has a fine detail for accuracy and is your go-to person when it comes to advanced computer skills technology.

Annual Credits Obtained in One Day. NCRA & Georgia Credits Approved.

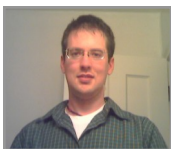

Would you prefer to have the entire day devoted to training with your CAT system?
How about realtime training for an entire day to prepare for the CRR or maybe help hooking up to offer realtime?
Maybe you'd like training for both realtime and your CAT software.
It's your choice. Details are on the registration form.

LARRY PAIZ
Dallas, Texas

Larry Paiz, CSR, is a Stenograph Certified Independent Training Agent with 19 years of training experience. He provides CAT training on a variety of levels, including introductory, intermediate, and advanced training to freelance and official reporters, scopists and students. He has conducted online training webinars and made presentations at court reporting seminars across the U.S. and internationally.

Larry is a 1979 graduate of the Stenograph Institute of Texas and has a Bachelor of Arts, Magna Cum Laude, degree from Texas Tech University. His reporting experience has been primarily in the freelance field. He was the technology instructor at the Court Reporting Institute of Dallas from 1988 through 2001 and has been the Associate Online Dean at the school since January 2007.

JOHN SIMS
Charleston, West Virginia

John Sims has been a support technician and trainer for Stenovations for the past five years. He has participated in several conventions and is the author of the digitalCAT software manual.

**Reatime Workshop with
Heidi Thomas,
FAPR, RDR, RMR, CRR, CBC**

Atlanta, Georgia

Heidi has been a court reporter since 1978, and a CART provider/captioner since 1989. She has served on the faculty/training staff for NCRA and was on the Realtime Certification Committee at NCRA for six years. She is one of a team of trainers for the Caption Masters Series for retraining of Certified Realtime Reporters into CART and captioning, and provides remote and on-site CART and broadcast captioning. She is currently Operations/Special Projects Director for EduCaption, Inc., in Atlanta, Georgia.

Joe Woodard will be our guest speaker for lunch. His presentation of QuickBooks will be tailored for court reporters.

Joe is an Advanced Certified QuickBooks ProAdvisor and Intuit Solution Provider with over 10 years of experience supporting clients who use QuickBooks. Since Joe began teaching QuickBooks 10 years ago, he has taught over 20,000 QuickBooks consultants across the country and he currently works with state CPA societies and large CPA firms to present advanced QuickBooks instruction to accounting professionals and software consultants. Joe is the host of the Scaling New Heights conference and is also host and founder of The National Advisor Network.
